Gedore Lock Industries

<http://www.gedorelock.com/>

As a leading manufacturer and supplier of the industry, we are offering a wide assortment of Hardware Collection. These collections are highly demanded among the clients for their high quality and hassle free functioning.

Profile

Established in the year **1993**, we, “**Gedore Lock Industries,**” are actively engaged in manufacturing and supplying a broad array of high quality Hardware Collection. In our product range we are offering Glass Locks, Pin Cylinder Lock and Mortice Handles. These offered assortments are manufactured by using high grade input factors as per the well-defined industry norms. Our offered ranges of collections are broadly demanded among the clients for their unique attributes like accurate dimension, robust construction, optimum finish, high performance and longer service life. To fulfill the needs of our clients, we are offering these products as per the client specific requirements at budget friendly price range. Additionally, an offered assortment is used in residential, commercial and industrial areas for safety purposes.

We are backed with the state-of-the-art infrastructural setup for manufacturing our offered range of collections. Our team of quality experts ensures that each and every product offered by us is manufactured from superior quality raw material to as per the industry quality standards. Moreover, we are backed by a team of hard-working and dedicated professionals. These skilled professionals carefully appointed by keeping in mind their knowledge and experience in their respective domains.

Under the valuable leadership of our mentor, “**Mr. B.k. Agarwal and Mr. P.k. Agarwal**”, we have been able to cater the ever-changing demands of our clients in a most resourceful manner. His vast industry knowledge and sharp business intelligence helped us to be a leading organization of the industry.
